The screenshot shows the top navigation bar with the Cirad logo and 'Plateforme e-learning' text. Below this is a breadcrumb trail: 'Home / Courses / E-TALENT - SUSTAINABLE PLANTATION LANDSCAPES IN SOUTHEAST ASIA / COURSE / Enrol me in this course / Enrolment options'. The main heading is 'Enrolment options'. Underneath, there is a 'COURSE' label and the TALENT logo, which features a stylized tree with a person inside. A short description follows: 'This course is about how to improve sustainability of plantations in Southeast Asia. It is one of the pedagogical activities created within the TALENT project'. Below the description, there is a section for 'Self enrolment (Student)' with the note 'No enrolment key required.' and a blue 'Enrol me' button that is circled in red.

You are now almost ready to start the course!

BUT...

.... You will need to go through a couple of more questions within the **REGISTRATION section** if you want to access the contents of the chapters.

The WELCOME section, the INTRODUCTION section and the CONTRIBUTORS section are fully open.

To be comfortable, don't forget to **select your language**. The contents of the lessons and exercises will always be in English but the navigation buttons will switch to your own language. In the example below: Vietnamese.

The screenshot shows the Cirad e-learning platform interface. At the top, the language is set to Vietnamese (vi). The sidebar menu on the left includes items like 'Trang chủ', 'Nhà của tôi', 'Lịch', 'Tập tin riêng tư', and 'Các khoá học của tôi'. The main content area displays a list of items with a 'Thực hiện lại để thi' button highlighted. The footer contains user information and navigation links.
